

## Getting Ready for LSDU

With LSDU, you have more flexibility and options. Use this handout as a reference as you prepare to use LSDU.

### Data and Technology Impacts\*

Does your organization currently have internal technology systems that utilize Fannie Mae data?

Yes       No

If you answered yes above, or if you are considering integrating LSDU's Fannie Mae data into your internal systems, do those systems run on a schedule?

Yes       No

Are internal technology system changes required to utilize Fannie Mae data from LSDU?

Yes       No

Is any data conversion required to consume Fannie Mae data from LSDU? (Example: using use "UPB" vs "Unpaid Principal Balance")

Yes       No

### Other Potential Users

Mortgage Insurance (MI) Group

Loss Mitigation Group

Special Loans Group

Accounting/Cash Group
