

Pricing & Execution - Whole loan (PE-Whole Loan®)

Integration Impact Memo

To ensure Fannie Mae applications and websites are secure, meet industry standards and client expectations, Transport Layer Security (TLS) Version 1.0 and 1.1 protocols will be retired from all Fannie Mae applications on August 10. Going forward, **TLS 1.2** will be the only supported protocol.

The following Pricing & Execution - Whole Loan (PE - Whole Loan®) and Servicing Execution Tool™ (SET) endpoints are impacted:

Integration:

<https://webservices.efanniemae.com/CLVE/BrowsePriceB2BService>
<https://webservices.efanniemae.com/CLVE/CommitmentB2BService>

Production:

<https://webservices.efanniemae.com/BrowsePriceB2BService>
<https://webservices.efanniemae.com/CommitmentB2BService>

For any questions, please contact the Integration Support Team at: pewl_integration@fanniemae.com.
