

Property 360 URL Change

May 19, 2021

What's New with Property 360?

Effective May 22, the web address to the Property 360™ platform will change from its current URL to <https://property360.fanniemae.com/>. Users will be required to use the new URL starting May 22 as they will not be automatically redirected. Please remember to update any bookmarks you may have created.

Additional information related to the transition can be found on the [Property 360 product page](#).
