RefiNow

Expanding the refinance market to those who need it most

RefiNow™ is an affordable refinancing option for qualifying homeowners aimed at making it easier and less expensive to reduce monthly housing costs.

The matrix below summarizes our eligibility guidelines for RefiNow. Please refer to Lender Letter LL-2021-10 for additional information.

Fannie Mae expects lenders to help borrowers understand the benefit of RefiNow and the total cost of the refinance over the life of the loan.

Borrower eligibility requirements	
Borrower income limit	The borrower(s) income must be less than or equal to 100% of the applicable area median income (AMI) limit for the subject property's location. • In determining whether a loan is eligible under the borrower income limits, the lender must consider the income from all borrowers who will sign the note, to the extent that the income is considered in evaluating creditworthiness for the new loan. • The lender must use the same methodology in determining income eligibility for a RefiNow loan as they use in reporting "Monthly Income" in Loan Delivery.
Requirements for the existing loan being refinanced	
Existing loan eligibility	The existing loan must: • Be a conventional mortgage loan owned or securitized by Fannie Mae. • Be seasoned at least 12 months (from the original note date to new loan note date). • Not be subject to recourse, repurchase agreement, indemnification, outstanding repurchase demand, or credit enhancement (unless the new loan is also subject to the credit enhancement or it is no longer required). • Not be an existing high LTV refinance loan, DU Refi Plus™ loan, or Refi Plus™ loan.

Eligible subordinate financing	Existing subordinate financing:
	• May not be satisfied with the proceeds of the new loan.
	• Can remain in place if it is resubordinated to the new loan.
	• May be simultaneously refinanced with the existing first lien mortgage, provided that:
	  ○ The unpaid principal balance (UPB) of the new subordinate lien is not more than the UPB of the subordinate lien being refinanced at the time of payoff.
	  ○ There is no increase in the monthly principal and interest payment on the subordinate lien.

Underwriting and documentation requirements for the new loan	

Underwriting method	• Loans may be underwritten with DU®. DU will automate the identification of loan casefiles that appear to be eligible for RefiNow based on the borrowers listed on the loan application, the property address, qualifying income, and several other factors. Refer to the Release Notes for additional information.
	• Manual underwriting may be used if the loan is otherwise eligible for manual underwriting. Manually underwritten loans:
	  ○ Are only required to comply with the maximum LTV, CLTV, HCLTV ratios listed on the Eligibility Matrix and as otherwise stated within this document.
	  ○ May follow the DTI ratio and credit score requirements below. There are no required minimum reserves.

Minimum credit score and significant derogatory credit	• No minimum credit score is required. • The borrower must comply with all applicable waiting periods following derogatory credit events in B3-5.3-07, Significant Derogatory Credit Events — Waiting Periods and Re-establishing Credit. (Exception: The LTV ratio limitation that applies to a previous foreclosure is not applicable — standard LTV ratios are permitted.)
Payment history requirements	For the loan being refinanced, the borrower cannot have had: • Any 30-day mortgage delinquencies in the most recent 6-month period and • No more than one 30-day delinquency in months 7 through 12. If the borrower has missed payments due to a COVID-19 forbearance, and those payments have been resolved in accordance with the temporary eligibility requirements for purchase and refinance transactions in LL-2021-03, then the missed payments are not considered delinquencies for purposes of meeting these payment history requirements. This will apply for as long as the temporary policies remain in effect.
Maximum DTI ratio	The DTI ratio must be less than or equal to 65%.
Non-occupant borrowers	• Non-occupant borrowers are permitted. • A maximum LTV, CLTV, and HCLTV ratio of 95% applies to loans underwritten with DU and manually (CLTV ratio may be up to 105% when a Community Seconds® is being resubordinated). • Manually underwritten loans are not subject to the occupying borrower DTI ratio of 43%.
