March 3, 2022

LoanSphere Claims & Attachments Viewable in Property 360

Fannie Mae has uploaded over 5 million attachments from historic LoanSphere Invoicing claims. Most historical documents are already viewable on the claim, and all documents will be fully available by the end of March. As announced in our February 4th [Release Notes](#), users can log in to the Property 360™ Claims Portal, search for a loan number, and easily review all claim data.

Deactivation of LoanSphere Invoicing Access

Effective immediately, servicers will no longer have access to LoanSphere Invoicing. All claim information previously submitted in LoanSphere is now available for review in Property 360.
