

AMN/HSSN 28.5 Release Notes

December 5, 2022

During the weekend of December 10, 2022, Fannie Mae will implement Release 28.5, which includes the changes and enhancements described below for: Asset Management Network (AMN)/HomeSaver Solutions™ Network (HSSN).

To implement this release, AMN/HSSN will not be available for processing from 7:00 a.m. until 4:00 p.m. Eastern Time December 10, 2022. This downtime also applies to SMDU™ Case Management functionality. While SMDU Auto Decisioning functionality will be available, users may experience some intermittent outages because SMDU relies on some HSSN case data. If you experience an exception, please wait a few minutes and resubmit the transaction.

The changes in this release apply to all instances of AMN/HSSN.

- AMN/HSSN General Updates

AMN/HSSN General Updates

In support of Property360 the Create Disbursement, View Disbursement Batch Status, and File Upload links will be removed from the Form 571 section in AMN and the REO Notification File Upload and Add REO Notification links will be removed from the REO Notification section. For further information on Property360 for REOgrams please see [Property 360 | Fannie Mae](#).
