

Attorney Authorization Approval (AAA) Matrix Updates

Effective May 1, 2024, the Attorney Authorization Approval (AAA) Matrix has been revised to reflect new guidance related to property preservation orders for Puerto Rico and Washington.

Property Preservation Protective Order

If the firm must obtain a protective order for property preservation work to be performed for vacant and abandoned properties, the related fees are reimbursable for Puerto Rico (\$700) and Washington (\$1,500) without excess fee review or approval. The Allowable Miscellaneous section has been updated to reflect the same.
