Lender Letter (LL-2026-09)

Nov. 4, 2026

To: All Fannie Mae Single-Family Sellers
Manual Underwriting Eligibility

We are revising the manual underwriting eligibility requirements in the *Eligibility Matrix.*

The revised *Eligibility Matrix* simplifies the requirements and aligns manual underwriting eligibility for standard, HomeReady®, and HomeStyle® Renovation loans.

For manually underwritten loans, references to credit scores include both Classic FICO and VantageScore 4.0. The same minimum credit score requirements apply to both models.

Effective: The revised manual underwriting eligibility requirements apply to loans delivered to us on or after Feb. 22, 2027.

Key changes

The revised *Eligibility Matrix* includes the following key changes for manually underwritten loans:

- Aligning minimum credit score requirements for fixed-rate and adjustable-rate loans.
- Establishing consistent credit score and reserve requirements for two- to four-unit principal residence transactions and for cash-out refinance transactions.
- Combining all manual underwriting requirements, including HomeReady and HomeStyle, in a single matrix.

> **NOTE:** *HomeReady and HomeStyle Renovation loans continue to be eligible for manual underwriting only for purchase and limited cash-out refinance (LCOR) transactions.*
