EarlyCheck Integration Impact Memo
EarlyCheck Version 5.7

September 18, 2018

During the weekend of November 17, 2018, Fannie Mae will implement EarlyCheck™ Version 5.7 as described in the EarlyCheck Version 5.7 Release Notes. This release includes new, modified, and deactivated loan-level edit messages. The changes in this release apply to EarlyCheck submissions via direct integration and the EarlyCheck user interface. Review this memo in addition to the Release Notes to ensure that your integrated system(s) will be prepared.

New, Modified and Deactivated Edit Messages

EarlyCheck Version 5.7 will add new messages, modify several existing messages, and deactivate messages that are no longer needed.   A summary of the planned edit changes is noted below.

EarlyCheck Version 5.7 Edit Message Updates					
1003 v3.2/MISMO AUS v2.3.1			ULDD-MISMO v3.0		
New	Modified	Deactivated	New	Modified	Deactivated
37	4	0	171	7	1

How will this affect my integrated system?

Integrated systems that parse the EarlyCheck XML summary and/or loan-level results files may require updates to support edit modifications.

The EarlyCheck edit messages spreadsheet will be updated for this release and will be available to registered EarlyCheck users on the EarlyCheck page in mid-October 2018.

EarlyCheck Release Testing

Integration partners may begin testing these changes approximately 30 days prior to the release in the Fannie Mae Integration environment. Integration News email subscribers will be notified when the release is available for testing.
