How will this affect my integrated system?

Integrated systems that parse the EarlyCheck XML summary and/or loan-level results files may require updates to support edit modifications.

The EarlyCheck edit messages spreadsheet will be updated for this release and will be available to registered EarlyCheck users on the EarlyCheck page on December 12, 2018.

EarlyCheck Release Testing

Integration partners may begin testing these changes on December 14, 2018 in the Fannie Mae integration environment. Integration News email subscribers will be notified when the release is available for testing.
