

Custodial Bank Account Management

Single-Family

Effective May 7th, The **Custodial Bank Account Management** application includes a new **Help** option with direct links to the product page on fanniemae.com which includes the User Guide, FAQs, and related resources.

Additional enhancements with this release:

- Enable cancellation of eligible in-progress Forms,
- Enable reporting of closed custodial account Forms, and
- Update the **Change/Replace** process to prevent changes to the selected depository and execution type while maintaining real-time eligibility validation.
