

# Desktop Underwriter/Desktop Originator Integration Impact Memo

## DU Version 11.1 Feb. Update

Dec. 13, 2023

Updated Dec. 20, 2023

During the **weekend of Feb. 10, 2024**, Fannie Mae will implement an update to Desktop Underwriter® (DU®) Version 11.1. The changes in this release will apply to loan casefiles submitted or resubmitted to DU on or after the weekend of Feb. 10, 2024.

Please review this memo, in addition to the [Release Notes](#) to ensure that your integrated system(s) will be prepared to support this release.

### New, Modified, and Retired DU Underwriting Findings Messages

This release will introduce new, modified, and retired messages that will be issued in the DU Underwriting Findings report.

#### How will this affect my integrated system(s)?

Integrated systems that parse the DU Underwriting Findings report data file (RES file) or Codified Findings (XML file), as well as those that parse the DU Underwriting Findings via the DU Messages API, may require updates to support the message changes. Reference the table below for a preliminary assessment of the anticipated message changes.

New Messages	Modified Messages	Retired Messages
1	1	1

The draft DU messages file will be distributed via email from Integration News ([integration\\_news@fanniemae.com](mailto:integration_news@fanniemae.com)) to authorized subscribers on or about Dec. 20, 2023.

### Release Support

The DU Version 11.1 Feb. Update will be implemented in the DU integration environment on or around Jan. 10, 2024.

If you have questions about the integration impact or if you require support specific to this release, contact your Technology Integration Analyst or [Integration Support](#). For more information about DU, visit the [DU page](#) or contact your Fannie Mae representative.
