

DU Validation Service Release Notes

DU validation service discontinues employment and income validation using manual reports

Sept. 16, 2020

The Desktop Underwriter® (DU®) validation service will discontinue validation of employment and income using new manual verification reports received on or after Oct. 17, 2020. There are no changes to employment and income validation using automated verification reports.

Lenders may continue to use third-party employment verification vendors to obtain income and employment information without validation from DU in accordance with the requirements contained in Section B3-3.1-02 of the *Selling Guide*.

For More Information

For more information about these Release Notes, lenders may contact their Fannie Mae Customer Management Solutions Team, and mortgage brokers should contact their DO sponsoring wholesale lender.
