How to Sign in to the Fannie Mae Box Workspace

There are two ways to sign in:

1. Use the link that you received from the Box Email Notification (example below).

2. Alternatively, access via <https://fanniemae.box.com>
 - Select "Not Part of Fannie Mae?" to sign in.

To Sign in to your Box account

Enter the email address and password that you registered

The screenshot shows the Box login page in a web browser. The browser's address bar displays the URL `account.box.com/login?redirect_url=`. The page features a blue header with the Box logo, a language selector set to "English (US)", a link to "Box Blog", and a "Sign Up" button. The main content area is titled "Sign In to Your Account". Below this title, there is a label "Email Address" and a text input field containing the email address `name@company1.com`. This input field is highlighted with a red rectangular border. Below the input field is a blue button labeled "Next".

The screenshot shows the Box login page after the email address has been entered. The browser's address bar now displays the URL `account.box.com/login?redirect_url=%2F`. The page layout is consistent with the previous screenshot. The main content area is titled "Sign In to Your Account" with a back arrow icon to the left. Below the title, it says "Signing in as name@company1.com. Not you?". There is a label "Password" and a text input field filled with dots. Below the password field, the blue "Log In" button is highlighted with a red rectangular border. At the bottom of the form, there is a link labeled "Reset Password".

You will then see Folder and Files that Fannie Mae shared with you
