

ADJUSTABLE RATE RIDER

(30-day Average SOFR Index (As Published by the Federal Reserve Bank of New York) -- Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this _____ day of _____, _____, and is incorporated into and amends and supplements the Mortgage, Mortgage Deed, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to _____ (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MINIMUM AND MAXIMUM RATES THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the representations, warranties, covenants, and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for monthly payments of interest and a portion of the principal ("Monthly Payment") and an initial interest rate of _____%. The Note provides for changes in the interest rate and the Monthly Payments as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of _____, _____, and on the first day of the month every 6th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index that is calculated and provided to the general public by an administrator (the "Administrator"). The "Index" is a benchmark, known as the 30-day Average SOFR index. The Index is currently published by the Federal Reserve Bank of New York. The most recent Index value available as of the date 45 days before each Change Date is called the "Current Index," provided that if the Current Index is less than zero, then the Current Index will be deemed to be zero for purposes of calculating my interest rate.

If the Index is no longer available, it will be replaced in accordance with Section 4(G) below.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding _____ percentage points (_____%) (the "Margin") to the Current Index. The Margin may change if the Index is replaced by the Note Holder in accordance with Section 4(G)(2) below. The Note Holder will then round the result of the Margin plus the Current Index to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the Monthly Payment that would be sufficient to repay the unpaid Principal that I am expected to owe at the Change

Date on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my Monthly Payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than _____% or less than _____%. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than one percentage point (1.0%) from the rate of interest I have been paying for the preceding 6 months, and will never be greater than _____% or less than _____%.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new Monthly Payment beginning on the first Monthly Payment date after the Change Date until the amount of my Monthly Payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my Monthly Payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

(G) Replacement Index and Replacement Margin

The Index is deemed to be no longer available and will be replaced if any of the following events (each, a “Replacement Event”) occur: (i) the Administrator has permanently or indefinitely stopped providing the Index to the general public; or (ii) the Administrator or its regulator issues an official public statement that the Index is no longer reliable or representative.

If a Replacement Event occurs, the Note Holder will select a new index (the “Replacement Index”) and may also select a new margin (the “Replacement Margin”), as follows:

(1) If a replacement index has been selected or recommended for use in consumer products, including residential adjustable-rate mortgages, by the Board of Governors of the Federal Reserve System, the Federal Reserve Bank of New York, or a committee endorsed or convened by the Board of Governors of the Federal Reserve System or the Federal Reserve Bank of New York at the time of a Replacement Event, the Note Holder will select that index as the Replacement Index.

(2) If a replacement index has not been selected or recommended for use in consumer products under Section (G)(1) at the time of a Replacement Event, the Note Holder will make a reasonable, good faith effort to select a Replacement Index and a Replacement Margin that, when added together, the Note Holder reasonably expects will minimize any change in the cost of the loan, taking into account the historical performance of the Index and the Replacement Index.

The Replacement Index and Replacement Margin, if any, will be operative immediately upon a Replacement Event and will be used to determine my interest rate and Monthly Payments on Change Dates that are more than 45 days after a Replacement Event. The Index and Margin could be replaced more than once during the term of my Note, but only if another Replacement Event occurs. After a Replacement Event, all references to the “Index” and “Margin” will be deemed to be references to the “Replacement Index” and “Replacement Margin.”

The Note Holder will also give me notice of my Replacement Index and

Replacement Margin, if any, and such other information required by applicable law and regulation.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Section 19 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. For the purposes of this Section 19 only, “Interest in the Property” means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract, or escrow agreement, the intent of which is the transfer of title by Borrower to a purchaser at a future date.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender’s prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, Lender will not exercise this option if such exercise is prohibited by Applicable Law. Lender also will not exercise this option if (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee, and (b) Lender reasonably determines that Lender’s security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender’s consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises this option to require immediate payment in full, Lender will give Borrower notice of acceleration. The notice will provide a period of not less than 30 days from the date the notice is given in accordance with Section 16 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to, or upon, the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower and will be entitled to collect all expenses incurred in pursuing such remedies, including, but not limited to: (a) reasonable attorneys’ fees and costs; (b) property inspection and valuation fees; and (c) other fees incurred to protect Lender’s Interest in the Property and/or rights under this Security Instrument.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
