Fannie Mae®

New Endpoints for PE - Whole Loan Integration

Integration Impact Memo

Updated October 29

As of October 31, if you are not using the new endpoint addresses for the Pricing & Execution - Whole Loan® (PE - Whole Loan®) Production Environment and Test Environment, your ability to do business with Fannie Mae will be interrupted. Below are resolutions to issues you may experience when migrating endpoints.

Please contact your Digital Alliance Manager or Sales Engineer for more information.

#	APIGEE Gateway Issues	Impact	Status Code	Error Description	Resolution
1	There is no contact established in PEWL UI	Unsuccessful response	500	XG_3071 Service Endpoint Not Available	Before making B2B calls, user needs to log into PEWL UI https://pe.fanniemae.com/pe/login and create a contact (First Name, Last Name, Email, and Phone)
2	If the required **KEY** header is given as **Content** on the API call	Unsuccessful response	500	XG_3071 Service Endpoint Not Available	Required Header **KEY** Content-Type **VALUE** text/xml
3	Incorrect Authorization selected on the API call	Unsuccessful response	403	FM_XG_201 Access Denied	Authorization **TYPE** = No Auth
4	If the user enters invalid credential in CLVE or PROD	Unsuccessful response	403	FM_XG_201 Access Denied	Contact Technology Administrator to reset the password for CLVE or Production credentials.
