# **Browse Prices Export File Specification**

In the Pricing & Execution – Whole Loan® (PE – Whole Loan®) application, you can export the price results from your Browse Prices sessions for up to 20 products\*, four commitment periods, and a single remittance type at one time as a comma-delimited (.csv) file. Please see Browse Prices – Mandatory and Best Efforts Creating a Browse Price Custom Template in the PE – Whole Loan job aids for more details. You will need to export your mandatory and best efforts pricing separately.

\*for MarketPoint users, there is no product limit

## The Browse Price Export File Format will conform to the following layout:

1. The first row of the .csv file will have the title " === Pricing & Execution - Whole Loan === " in the first column.

```
1 === Pricing & Execution - Whole Loan ===
```

- 2. The second row is blank.
- 3. The third row will have the Seller Name, Seller Number, and Pricing as-of date across the first three columns.

---	------------	-----------	-------------------------

- 4. Row 4 is blank.
- 5. Row 5 is blank.
- 6. Row 6 is blank.
- 7. Row 7 will list the specific selections from the Browse Price session within the first column.

#### For a Mandatory commitment: Execution Type | Remittance Type| Price Increment.

7 Execution Type: Mandatory | Remittance Type: Actual/Actual | Price Increment: 1/8

#### For a Best Efforts commitment: Execution Type | Remittance Type| Price Increment | Underwriting Method | Servicing Retained

7 | Execution Type: Best Efforts | Remittance Type: Actual/Actual | Price Increment: 1/8 | Underwriting Method: DU® | Servicing Retained

- 8. Row 8 is blank.
- 9. Row 9 will contain the column headers for price download, including Product (Name), Pass-Through Rate, and four columns specifying the selected commitment periods. The first two columns have fixed titles for Product and Pass-Through Rate. The next four columns titles will vary by the number of days selected for the different commitment periods.

10. Beginning on row 10, each subsequent row shall contain a single record of pricing data with values in each column that match the header fields in row 9. When selecting multiple products, the product names will appear in the subsequent rows with the corresponding pass-through rates and prices. When pricing is not available for a specific product, pass-through rate, and commitment period combination, the system will display "N/A" as the value and not blank.

10	30-Year Fixed Rate	4.875	N/A	N/A	N/A	105.9437
----	--------------------	-------	-----	-----	-----	----------

**NOTE:** The order of products returned in the Export file will always be sorted by the product name in descending order for Fixed Rate products followed by Adjustable Rate products. Consider creating separate Custom Browse Prices Templates for your fixed and Adjustable Rate products when exporting pricing for your rate sheets.
