

Provisioning Users for MBS Trading Portal

Lenders who have received TBA trading authorization with Fannie Mae may self-provision users for the [MBS Trading Portal](#) by taking the following steps:

Identify your Corporate Administrator(s)

- Visit the Technology Manager [page](#).
- Click **Launch App**.
- Select **Who are my Administrators**.

Request Access

- Using [Technology Manager](#), your Corporate Administrator may provision user access for the **MBS Trading Portal** application and either the **'MBS Trade-Execute'** or **'MBS Trade - ReadOnly'** role. *(See images below.)*
- Visit [this page](#) for additional guidance on provisioning user access in Technology Manager.

Contact Fannie Mae's Pricing & Sales Desk

- Once the above steps are complete, contact the Sales Desk to activate your access.

Get Started with MBS Trading Portal

- Once setup access is complete, you may begin using the [trading portal](#).

5. Select **MBS Trading Portal**, then click **MANAGE ACCESS**.
