

# Technology Manager Release Notes

**April 28, 2025**

Technology Manager (TM) is a web-based tool that allows Fannie Mae customers to provision and manage access to Fannie Mae applications. Registered users can view and modify their user profile and security information, and company designated administrators can assign various applications to their users and manage their System IDs.

## **What's new in this release?**

- **User Access Report** - Added Last Login Date attribute, and removed Administrator Email, Trax ID and FIN Number attributes. Added a link to Report Glossary which will provide definitions of frequently used report terms and Frequently Asked Questions (FAQs).
